Just a quick note to advise our Pennsylvania clients who have under 20 employees that the Pennsylvania "Mini" COBRA Subsidy has been extended by 6 months. Pennsylvania House Bill #1251 provides an individual who has been involuntarily terminated between September 1, 2008 and May 31, 2010 is entitled to a premium subsidy for up to 15 months from the date of the involuntary termination.

In addition, this Bill also authorizes an involuntarily terminated individual, who previously had their Mini-COBRA rights terminated after nine months, the right to reinstate their continuation of coverage for up to six months effective July 10, 2010.

Please do not hesitate to contact your Broker or your Broker Representative should you have any questions or need additional information.
