Subject: Health Care Reform Email Blast #5 - Health Care Reform Informational Release
Date: Thursday, October 07, 2010 2:16:36 PM

As many of you know Stalker & Associates, Inc. and affiliated companies have the use of many different types of resources. We use dozens of these every month to complete various assignments and administrative functions. Recently we have found the Kaiser / HRET website very informative and useful. This newest release is extremely helpful in maintaining useful knowledge and charting the requirements of Health Care Reform.

Please use the following link to enter Kaiser / HRET

<http://healthreform.kff.org/timeline.aspx?gclid=CP2yxv6ioKQCFZJ95Ood8OST6A>

Upon entering the site, choose the following to narrow your topic search:

1)

1) Customize by topic – check box to right of topics to only view affect on a specific topic. Details will appear for any topic checked. If you want to view all details in all topics choose <select all> found at top of list.

*As you select more topics or deselect topics, notice the numbers assigned to the Provisions by Year will change: 2010⁽²⁵⁾

2) Choose year by clicking on under Provisions by Year to view a list of the changes that are scheduled to take affect in that year

3) Choose topic in the list to view a summary and date change will take affect.

We will be continually updating you regarding Health Care Reform and other Employee Benefit Changes as they happen. Of course, ALWAYS contact our Benefits Department or your Broker Representative / Consultant if you have questions or if we can be of assistance.

Best Regards,
